CHILDREN'S BOOK: My Body My House by Lisa Beres!

\$16.95

http://www.greennest.com/product_info.php?cPath=46&products_id=184

888-437-6466

The Body and The House lived together happily until The Body made some bad choices and brought toxic chemicals to The House. The Body got sick from them, but with The House's advice got well again. In the end, The Body learned that it had to keep The House healthy in order for it to stay healthy, too.
